

Parks and Recreation Master Plan

Friday, 05 September 2008

Last Updated Tuesday, 27 October 2009

The City of Newnan Community Development Department has begun the process of preparing a master plan to improve the parks and recreation system throughout the city. Several public workshops and focus groups discussions have already taken place. The Community Development Department is in the process of gathering information at this point. Our planning consultant, Brandstetter Carroll Inc., will facilitate the workshop, but the main discussion will be from the residents.
